

# Hello,

PHONE 1 616. 437. 1959 EMAIL [regan@revid.net](mailto:regan@revid.net)

# my name is Regan Hurd

I've been self-employed since age 16, and I walked out of city hall with a DBA at age 18.  
I'm destined to own a business, but I prefer to work for business.

Did I mention that I work fast? I'm open twenty four hours a day, seven days a week.  
I'm never satisfied with just 100%, I always take my work to 300%, and beyond, waaaaayyy beyond.

I'm a functionalist; I start from scratch, building everything from the ground up. You built your business  
from the ground up, so why wouldn't you expect anything less from a computer artist?

But enough about me, I'm here to work for you.
